General Comment

Please do not pass this rule to restrict trading options in IRA accounts. Used properly, options are an excellent way to build wealth in IRA accounts. I use this strategy all the time for my IRA accounts and for my kids accounts. Please, please, please do not take this investment alternative away from me and and my children. I have been using options for many years quite successfully to do investments in IRA accounts. Please do not take this away from me and my children.
